

Lightning Talk: Clinic Innovations for the New Normal

In this lecture, Dr. Guerrero will be sharing his personal experiences on how he restarted e-clinic practice as early as April 2020 - Using reference recommendations and guidelines from the University of the Philippines Medical Informatics Unit (MIU), the Department of Health's enumerated health protocols and international inputs from the Centers for Disease Control and Harvard Medical School. Dr Guerrero has built innovative ways that enabled him to safely restart his clinical practice and will be sharing tips that can help you establish your e-clinic.
