

HEALTHNOW

Get the healthcare you need, your way

Healthcare now made simple and easy. **HealthNow** is your all-in-one health app for your primary care needs.

HealthNow is powered by the assets of Globe (917Ventures, KonsultaMD, GCash/Mynt) and AHealth (Vigos Ventures, FamilyDOC, Healthway, Generika). HealthNow aims to deliver a guaranteed, painless experience into health and wellness. Its mission is to solve the pain points of both patients and doctors by reimagining the way the continuity of care is delivered.

The HealthNow Mobile App launched in Android last August 10 to offer convenient access to primary care; it will be available on Apple in the coming days. Through the app, users can avail of scheduled video teleconsultations with licensed physicians, order medicine for delivery, and book clinic and diagnostic appointments.”

Your all-in-one health app for your primary care needs

HealthNow delivers a hassle-free experience by bringing patients and healthcare services in one easy-to-use app.
