Watsons being the number 1 drugstore brand in Asia, continually sets the standard in health, wellness and beauty market.

Our promise to our customers - LOOK GOOD FEEL GREAT -is something we make happen every day, by going the extra mile, by bringing smiles to people's faces, and by providing the best of health, wellbeing, and beauty care not just in our physical stores but now in online and call and delivery services.

Now more than ever, we are one with the nation, in fighting the Covid 19 pandemic. We are motivated to provide care and services by ensuring convenience and access, especially for our customer's essential health needs.

We understand that this pandemic restricted our movements and access to daily needs. We in Watsons, have put efforts in strengthening our other platforms such as our E-commerce page and Call and Delivery stores. Access to essential and critical medicines, is now a click or dial away.
